

EDUCATIONAL EXAMINERS BOARD[282]

Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby amends Chapter 14, “Issuance of Practitioner’s Licenses and Endorsements,” Iowa Administrative Code.

During the reorganization of its administrative rules, the Board noticed that the Class G license was valid for two years. When the Board originally presented the rule for consideration, it was the Board’s intent that the license be valid for only one year. The reason the Board intended the Class G license to be valid for one year was due to the length of time needed by nonteacher candidates who only had the practicum or internship remaining in their program of study.

Notice of Intended Action was published in the Iowa Administrative Bulletin on April 23, 2008, as **ARC 6743B**. A public hearing on the amendment was held on Wednesday, May 14, 2008. No one attended the public hearing, and no written comments were received. This amendment is identical to that published under Notice.

This amendment is intended to implement Iowa Code chapter 272.

This amendment will become effective August 20, 2008.

The following amendment is adopted.

Amend rule 282—14.132(272), as follows:

282—14.132(272) Requirements for a Class G license. A nonrenewable Class G license valid for ~~two years~~ one year may be issued to an individual who must complete a school guidance counseling practicum or internship in an approved program in preparation for the school guidance counselor endorsement. The Class G license may be issued under the following limited conditions:
